Description

This course focuses on identifying and revising grammar patterns, sentence structures, and the use of tenses in academic writing. This course is ideal for writers who want to apply grammar rules directly to their work, as well as students who have completed Essential Grammar Tools for Writing and want to further practice their writing and grammar skills. Students will complete activities (oral and written) based on the topics presented and will engage in peer review activities related to their own writing.

Instructor

Nadia Moraglio, M.A., has over 25 years of teaching experience. She currently teaches writing and develops teacher-training on AI uses at Pima Community College. She is also a writing and language coach at <https://www.mindtopen.com/>.
