

PREPARING TO WRITE YOUR DISSERTATION

This workshop focuses on the foundational decisions that shape a dissertation before writing begins. We will explore key considerations for dissertation readiness, including logistical foundations, effective planning, and goal-setting. By the end of the session, participants will have a clear understanding about how to approach and prepare for the dissertation process.

Topics

Steps prior to research and writing:

- Topic selection
- Research questions
- Considerations on methodology, data collection and presentation
