## Description

English Skills for Academia is a skills-based course designed to strengthen students' foundational competencies in academic English. The course covers the foundations of English sentence and clause types, essential punctuation rules, and strategies for reducing wordiness in writing so that writers can strengthen their editing skills. The course also emphasizes spoken communication through pronunciation awareness and conversation practice, providing hands-on opportunities to apply language skills in both written and oral academic contexts.

## Instructor

Nadia Moraglio, M.A., has over 25 years of teaching experience. She currently teaches writing and develops teacher-training on AI uses at Pima Community College. She is also a writing and language coach at <https://www.mindtopen.com/>.
